

Epocrates Essentials, a \$159 product, is now available free to all IUSM students. The software will run on a variety of devices, including iPhone/iPod Touch, BlackBerry, Palm and Windows Mobile. You can find specific information about Epocrates Essentials at <http://www.epocrates.com/products/essentials/>

The installation instructions for Epocrates Essentials are on ANGEL:

- logon to <http://angel.medicine.iu.edu> with your IU account and password/passphrase
- In the CERTTS section (lower left) choose the link for "Download CERTTS software..."
- Go to the "Free & discounted software" link
- Click "Epocrates Essentials"
- Follow the instructions given. For help, email [angel@iupui.edu](mailto:angel@iupui.edu) or come to room IB 102 of the Medical Library
